

# Degree Completions

## Degree Completions by Major and Academic Year

The numbers below represent the number of majors, minors, certificates, or graduate degrees completed by students and do not represent individual students graduating. If a student had a first and second major, they are included twice in the numbers below. There will be more numbers of completions than there were students graduating each year.

<sup>1</sup>The BA in Elementary Education program began in Fall 2020.

<sup>2</sup>Before the B.A. in Elementary Education program, education majors graduated in Liberal Arts and continued to the MAT.

<sup>3</sup>Closed majors include: Biochemistry & Molecular Biology, Classics, Computer Science, English, Environmental Studies, French, German, Physics, Religion, Sociology, and Spanish. Teach-out plans enabled students in these majors to complete their degree programs.
