

What do I do if I've been assaulted?

Get Safe

- If in immediate danger, call campus safety at (434) 381-6111 at any time of day or night.

Get Medical Attention

- Do not clean, wash, douche or comb any part of your body. Do not change clothes, if possible, so the hospital staff can collect evidence. As much as possible, do not touch or change anything at the scene of the assault.
- Monday through Friday 8:30 am to 5:00 pm; Saturday from 9:00 am to 12:00 pm - **Centra Medical Group – Amherst**: 115 Ambriar Plaza, Amherst, VA 24521 or (434) 946-9565
- Anytime — **Lynchburg General Hospital**: 1901 Tate Springs Road, Lynchburg, VA 24501 or (434) 947-3000

Seek Support

- The sooner a survivor works with a counselor and/or support group, the better the recovery.
