ALUMNAE ENGAGEMENT AUGUST – DECEMBER 2016

College AR&D Priorities: (1) alumnae engagement; (2) money; (3) students

Proposed AA Council priorities: Aligned to College Priorities

1. [engagement, money] **Class Officers Audit** by appointing working group in Class Acts to specifically identifying strongest alumnae in each class to serve as class officers. Broadening service to include President or Co-Presidents, Secretary or Secretaries, Fund Agent Team, Social Media Secretaries.
2. [students, engagement] Boosting and supporting **Alumnae Admissions Recruiters (AARs)** by amplifying and operationalizing AAR Working Group including Regional Leads and City Leads. Very popular way for SBC alumnae to give back by representing our school.
3. [students, engagement] Growing utilization and effectiveness of **Alumnifire** – helps marketing to students for direct career outcomes success via internships, mentoring, job placements, maximizing the network of 15 alumnae per student ready to assist with career advice. Easy way for alumnae to give back with time and advice to younger alumnae and students.
4. [money] **Development WG** – ongoing planning and support for annual fundraising
5. [students] **Alumnae Bios** project – marketing and public relations to show SBC is career focused and outcomes oriented. Easy way for alumnae to give back with time and expertise to the College, and be role models for students and alumnae.
6. [engagement, money] Support **Sweet Work Days** from August 1-19. Alumnae are volunteers on campus for “budget relieving projects”, alumnae are helping organize. Alumnae can help market / capture success and advertise / communicate the fun to other alumnae. Also makes financial and operational challenges on campus visible to those participating, so alumnae understand the extent of challenges to overcome over next few years.
7. [engagement and money longer term] **Life-Long Learning** – initial steps include alumnae driven and alumnae executed technology platform exploration, piloting, calendar scheduling and execution – starting with AAR training and Alumnifire training materials. It will require 0 headcount support from the college staff and \$0 investment in technology to host and execute since we have already confirmed everything can be done using FreeConferenceCall.com services that the Alumnae Alliance Council already uses extensively. In the future, we could also integrate video/audio recordings of ongoing visiting lecturers to SBC, professors' lectures, colloquia, webinars, and student presentations and monetize for a fee or subscription in the future as our expertise grows to host and manage. Next priority examples include Banner 101 reports and data acquisition for Classes / Clubs, Social Media training 101. Coordination and info sharing can also be done through Geographies / Clubs and Classes. And Development WG, Geographies/Clubs, Classes, and AARs can all use the technology approach to bolster communications and level of engagement among themselves and their respective Working Groups.
8. [engagement, students] **Clubs (Geographies) - Back to School events** support. Will also be critical for boosting engagement such as rolling out training to Clubs on topics of interest, identifying and piloting out Life-Long Learning topics, and participating in Alumnifire and AARs training and programs, planning for Sweet Briar days in January 2017 and also to initiate the donated items for the 2017 Auction beginning in March 2017.
